JAWTTB NEWSLETTER Issue 1

Not long until the **BIG LAUNCH PICNIC**.....(May 24th)

- Have you booked your pitch at Lobb Fields? (or in a place where you don't have to inflate your own bed)!
- Get to the beach for about 12.30pm
- Find us under the Just a walk to the beach flag.
- Bring a plastic spade to take part in 'The Great Big Sandcastle Competition' and some decorations for those finishing touches.
- Bring your digital camera for the treasure hunt.
- Don't forget to pack your sense of fun to join in the 'Not just a walk relay race' and your samies.

Hairy T Shirts!

We are very excited to announce that the fair trade, organic T shirts for the Long Distance Travellers and their designated support car drivers are being paid for by 'The (very generous) Hairy Pot Plant Company' also known as Derek and Caroline Taylor.

Let us know your size **NOW** at info@justawalktothebeach.org and tell us if you would like it personalised with your name or not and whether you would like a standard t shirt or the ladies fit.

If you would like additional T shirts or have a friend who needs a wardrobe update then get in touch and we can order them one too (at any time) for the bargain price of £17.

This is **THE** way to get that body board to the beach using the custom designed 'Just a walk to the beach bike body board carrier' For your own ready to assemble kit, send us £15 and we will pop one in the post to you or get yourself to Wickes (other DIY superstores are available) and we will send you the instructions free!

If there is anyone (you know who you are) who has yet to get their profile back to us then please can we have them soon? We want to get you all on the web so that potential sponsors appreciate just what lengths you are prepared to go to, to raise some money for Jeans for Genes and The Sick Children's Trust..

Keep up the training, or get started and most importantly **THANK YOU** all for joining us and being part of 'Just a walk to the beach'.
